

20% of my commission is donated to the client's designated charity/non-profit

Real Estate is our business at the The Giving Back Group and we are committed to providing clients with exceptional service through the entire selling or buying experience. Whether it's helping a seller to market their house so they get top dollar or helping buyer's to find the "Perfect" home, we will be at our client's side every step of the way until the transaction is closed.

But, there's more to life than just taking care of business...it's important to help take care of others by Giving Back to those who need help the most. That's why we formed The Giving Back Group. Whether we are working with a seller, a buyer or both, we donate 20% of our commission to the 501(c)3 charity or non-profit of our client's choice in their name. No strings, no exceptions!

If you are buying or selling a house, it's just that easy to make sure those who need help the most benefit from the transaction. We think it's the **right thing to do!**

Together, we can make a difference!

Planning to buy or sell soon, give us a call. We'd love to work with you!
